

Commanders Column

Greetings to all in the Mighty Tenth

We are at 90.75 percent in membership , but that is not good enough. We are only in 7th place in the State. I need my Vice Commanders to get out and visit their Posts that need help and give them the help that they need to get that membership up.

Remember , there is still another incentive of \$40 to each Post that reaches goal before March 15th. Lets get going and get those couple that some Posts need. We have 18 Posts at goal or all time high. Thank you for that. Some of those Posts got the \$75.00. The others got the \$40.00. Where are you going to be?

Congratulations to Roy Nadeau in Pine County for getting his area over 100%. The first to do that. Roy also got a Legion Riders group going in Pine City. That was able to get the Post over goal. As of now , Pine City is 14 over go Way to go Roy.! If you do not have a Legion Riders Group at your Post, you should think about it. You gain membership to all of the Legion Family. It's also a great help to your Post. Roy will be glad to give you direction , right Roy. Great job Vice Commander.

The next State Rally will be in Royalton Saturday March 15th ,2--3:30 membership turn in...then the program to follow...dinner at 5pm. I have tickets for the Rally if you

are going. Call me or e-mail me and let me know how many, cost is \$12.00 each. This is the Appreciation Rally for the Vice Commanders. All my Vice Commanders will be there for this rally. We need to show up and let them all know what a great job they are doing for our Mighty 10th District. Lets have a good showing from the 10th District. The last 10th District Rally for the year will be at Tri-City Post on March 29th at 2 PM.

The year is going by fast. The Chairman from each committee need to get your reports done for the year and get them sent in to state and also have them for our District Convention at Onamia on May 16 thru the 18th.

We will be having a contest for the Color Guard Units. The winner will be the 10th Dist color guard next year. No parade , just the Color Guard contest marching, on Saturday May 17th , after the noon session.

Remember to mail in your reservations for all the testimonials that are coming up in April ,a very busy month. Keep up the good work throughout the District and remember --ALL GAVE SOME -- SOME GAVE ALL --- keep our troops in your prays and help all the Veterans of this country..

John Torma,
Commander
